2026 EDITION

WE ARE THE MONAL

The Monal, a stunning Grade II listed Providence Place Chapel, was built in the 1850s and was once home to the renowned Aakash Restaurant, founded by Lord Lieutenant of Yorkshire, John Lyles.

The name "Monal" is inspired by the vibrant and colorful Asian pheasant native to the mountainous wooded regions, known for its striking dark plumage and iridescent hues—symbolizing beauty, elegance, and rarity.

Lovingly and sensitively restored, the building retains many of its original features, offering a breathtaking and timeless setting that is perfect for celebrating your special day.

We are able to accommodate even the largest of celebrations, being able to take **400** people on our main floor, **200** on our balcony as the main floor is connected to the balcony and **300** in the downstairs hall.

THE MONAL

The image shows a highly detailed and ornate wedding venue. The focal point is a large, domed ceiling with intricate geometric patterns and gold accents. Below the dome, two prominent classical columns support a decorative archway. The altar area is elegantly decorated with white lace, floral arrangements, and a central bench. The overall atmosphere is romantic and timeless, with soft lighting highlighting the architectural details.

FAQS

How long do I have the venue for?

We host two events per day 11am - 4pm and 6pm - 11pm, standard hire, the bride and groom can arrive an hour before their guests for a private photo shoot. Additional hours can be added to any event which can be discussed with your event manager. The Monal is licensed to hold events until 12am.

How many guests are at each table?

Each table has 10 place settings e.g., a 300 guest wedding there will be 30 tables seating 10 guests each.

Can I have stations?

Yes. We can provide tables and table coverings for these stalls. However, your supplier must ensure these stations are managed throughout your event and also responsible for removing any rubbish.

What are the house rules?

We strictly do not allow confetti and silly string inside the venue. We do not allow any fireworks within the grounds or surrounding areas. The Monal is located in semi-rural settings and therefore has to be mindful of our neighbours with livestock therefore live music and dhol players are not able to play outside however can be strictly confined within the building. All guests should be reminded of entering and leaving in a manner that causes minimal disruption. e.g. revving engines, careless driving, excessive use of car horns.

Do I need to pay a security bond?

All bookings are subject to a fully refundable cash security deposit required 4 weeks before the event which will be returned to you at the end of your event, given all house rules have been adhered to.

How far in advance should I book my wedding at your venue?

We recommend booking your venue at least 6-12 months in advance, especially for peak wedding seasons, to ensure availability.

Feel free to contact us directly for more personalized information or if you have any other questions!

Can we have live music or a DJ at the venue?
